Smart Fashion Recommender Application

The screenshot shows the IBM Watson Assistant web interface. The top navigation bar includes links for 'IBM Watson Assistant', 'Lite', 'Upgrade', and 'HOSPITAL BOT'. The main content area is titled 'Actions' and displays a table of actions created by the user. The table has columns for 'Name', 'Last edited', 'Examples Count', and 'Status'. A single action named 'Hello' is listed, created 5 minutes ago with 2 examples and a status of 'Active'. A 'New action' button is visible in the top right corner. The bottom of the interface shows a Windows taskbar with various application icons and the system clock indicating 7:49 PM on 11/8/2022.

Name	Last edited	Examples Count	Status
Hello	5 minutes ago	2	Active

The screenshot shows a preview of the IBM Watson Assistant chat interface. The background is a high-quality image of a clothing store interior with wooden floors and racks of clothes. A yellow chat bubble is overlaid on the right side, containing the text: 'Hi! I'm a virtual assistant. How can I help you today?'. Below this text are three example prompts: 'Hello', 'Example: Check account balance', and 'Example: See how I can help'. At the bottom of the chat bubble is a text input field with the placeholder 'Type something...' and a send button. The bottom of the interface shows a Windows taskbar with various application icons and the system clock indicating 8:55 PM on 11/8/2022.
